

Empowered Renewed Connected Embraced by Nature

You are invited to nurture your creative passions in this women's retreat

Hosted by

Jenise English, M.Ed., LCPC

SoulCollage® is a creative and satisfying collage process. You make your own deck of cards - each collage card representing one aspect of your personality or Soul.

Use the collage cards intuitively to answer life's questions and participate in self-discovery.

Linda Berberick, Local Boise Artist

Linda will bring her creative passions to guide us through a process of working in clay "slip".

A method taught in a Spiritual Community in France. A very tactile way to feel energy, nurture your creative flow & connect to self.

Michele Casey, ABT, CMT

Rhythm is at the center of our being. Heart beat is the first music we hear. She will offer the opportunity for drum & song.
